

# THE MASTERS & HARBOUR TOWN LINKS

*Typical Example Trip*

We are heading back to the beautiful Hilton Head Island in 2025 for the favorite event on the golf calendar. This is a wonderful opportunity for you to come along and play one of the world's most famous golf courses, the stunning Harbour Town Links. Your home for the week is situated only yards away from the 1<sup>st</sup> tee on the beautiful Sea Pines Resort.

If this is not enough, we have combined it with a visit to the hallowed turf of the world's most famous golf course

### **Augusta National - Masters Week**

This event will give you the perfect opportunity to enjoy some of South Carolina's fabulous golf courses! You will be able to soak up the fabulous southern hospitality both on and off the course and sharpen up your game by utilizing the fantastic practice facilities on offer, under the watchful eye of your very own PGA Golf Professional. This is before taking up the challenge of some of finest golf courses the USA has to offer. Including the spectacular USPGA Tour venue which follows The Masters each year, the truly spectacular Harbour Town Links.

As part of a recent \$80 Million investment into the SeaPines Resort, Harbour Town Links has recently undergone re-modelling. This on a course that was already rated the No.2 golf course on the USPGA Tour (as voted for by the USPGA Tour players themselves). The course reopened in September 2015 to rave reviews, leaving them confident of possibly taking the No.1 spot from none other than Augusta National itself.

The remainder of your golfing itinerary will be made up of Atlantic Dunes which has recently seen on-site changes made by Ryder Cup Captain, Davis Love III. Also the beautiful Heron Point, designed by renowned golf course architect, Pete Dye. There really is nothing else to say but .....

*The Iconic 18<sup>th</sup> Hole Harbour Town Links*

This distinguished golf course places a premium on finesse, imagination and shot-making rather than length making it a perennial favorite among PGA TOUR players. Put your game to the ultimate test against a unique collection of Par 3's ranked among the world's finest and a Par 4 18th hole, considered one of the most feared in all of golf.

### *Hilton Head National*

Hilton Head National Golf Club, located in Bluffton, SC is just one mile from the bridges to Hilton Head Island and a half hour's drive from historic downtown Savannah, GA. It sits adjacent to the new luxury Hilton Head National RV Resort.

The course itself is a golfing gem. It has been acclaimed for more than 30 years as "the best conditioned layout in the region." Moreover, it's routinely rated among the top public courses in South Carolina.

Hall of Fame golfer Gary Player and course architecture award winner Bobby Weed each contributed their distinctive design philosophies here in ways that make every club in your bag important. Experienced golfers are quick to point out: **"Hilton Head National is a course that's challenging but not punishing. It's a joy to play!"**

### *Atlantic Dunes*

In addition to this being extremely unusual, the course is also housed on its own private island, with the only access being via private ferry. From the minute you check in at the embarkment point, you know you are in for something special. This is truly an amazing experience from start to finish and a fantastic addition to an already outstanding golfing itinerary.
